The LEI paradox
A common protection… with poor outcomes when it matters

Common Protection

Outcome Gap

Delays - Friction - Complaints

elevate Specialty

What LEI should do.

Resolve problems early – not just fund litigation.

OUTCOMES-LED WORKFLOW

Claim → Mediation → **Resolution**

What matters to product owners and procurement teams?

Consumer Duty / Fair Value

Time to first action

Claims Acceptance

Cost Control

MI / Transparency

Digital Journey

elevate Specialty

Why traditional LEI disappoints?

- High declinatures - poor outcomes
- Slow decisions and handoffs
- Focused on litigation
- Legacy control, models and tech

The Elevate difference.
Legal Expenses; Insurance that works.
